

Equal Opportunities, Diversity and Inclusion Policy

This policy is the responsibility of the Senior Deputy Head and the Deputy Head Pastoral and will be reviewed biennially.

Scope

Promoting equal opportunities is fundamental to the aims and ethos of Malvern St James Girls' School ('the School').

The School is committed to equal treatment for all pupils and staff regardless of their personal characteristics; the core ones are commonly referred to as 'protected characteristics' and include race or colour, nationality or national or ethnic origins, religion or belief, sex, sexual orientation, pregnancy or maternity, marital or civil partnership status, gender reassignment, age, and disability (together known as **Protected Characteristics**).

Aim

The aim of this policy and the School's ethos as a whole is to:

- Eliminate unlawful discrimination on grounds of any of the protected characteristics;
- Promote equality of opportunity for all members of the School community;
- Comply with the School's equality duties contained in the Equality Act 2010.

This policy applies to all pupils, whether day or boarders. All members of the School community are expected to comply with this policy. The principles of non-discrimination and equality of opportunity also apply to the way in which staff must treat visitors, pupils, parents, suppliers and former members of staff.

All parents are expected to support the aims of this policy and the School's ethos of tolerance and respect.

Staff should read this policy alongside the Recruitment Policy.

Admissions

The School treats every application for admission in a fair and equal way in accordance with this policy and the School's Admissions Policy. The School accepts applications from, and admits, all prospective pupils irrespective of any disability, gender reassignment, pregnancy and maternity, race, religion or belief (or lack of religion or belief) or special educational needs ('SEND').

Parents must inform the School when submitting the Registration Form of any special circumstances relating to their child which may affect their performance in the admissions process and/or their ability to fully participate in the education provided by the School. The School will not offer a place to a child with disabilities or specific needs if, after reasonable adjustments have been considered, the School cannot adequately cater for or meet their requirements.

Bursaries are means tested awards offered to those who meet the School's admission criteria but may otherwise be unable to attend the School due to financial hardship. Details of our provision for bursaries can be found on our website or through the Admissions team.

Malvern St James' commitment to Equal Opportunities

The School affords all pupils access to educational provision including all benefits, services and facilities, irrespective of any protected characteristic (subject to our reasonable adjustments duty and considerations of safety and welfare). The School will not discriminate against a pupil on the grounds of any protected characteristic by excluding them or subjecting them to any other detriment.

The School will:

- Treat all members of the School community with respect and dignity and seek to provide a positive working and learning environment free from discrimination, bullying and harassment;
- Endeavour to meet the needs of all pupils and staff and ensure that there is no unlawful discrimination on the grounds of any protected characteristics;
- Ensure that pupils with English as an additional language and pupils with an Education Health Care Plan receive necessary educational and welfare support;
- Monitor the admission and progress of pupils from different backgrounds;
- Challenge inappropriate discriminatory behaviour by pupils and staff;
- Offer all pupils access to all areas of the curriculum and a full range of extra-curricular activities;
- Work with parents and external agencies where appropriate to combat and prevent discrimination in School;
- Ensure that it reviews, monitors and evaluates the effectiveness of inclusive policies and practices;
- Use the curriculum, assemblies and PSHEEC to:
 - promote tolerance of and respect for each other, paying particular regard to the protected characteristics set out in the Equality Act 2010, preparing pupils to live and work in a multi-ethnic society;
 - promote positive images and role models to avoid prejudice and raise awareness of related issues.

The School recognises that discrimination may be direct, indirect, or arising from disability whether or not it was intentional. Harassment and bullying in all its forms is unacceptable and will be dealt with in accordance with the School's Code of Conduct and Anti-bullying policies for pupils and the Staff Behaviour Policy and Code of Conduct in the case of staff.

Religious belief

Although the School's religious ethos is based on Christian values and tradition, the School is inclusive and welcomes and respects the rights and freedoms of individuals from other religions and faiths or those with no religion or faith subject to considerations of safety and welfare and the rights and freedoms of other members of the School community.

The Governors of Malvern St James, through the Senior Leadership Team (SLT), actively promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Requests for variation in the school uniform

All pupils are required to wear a uniform until the end of Year 11, and a strict "business dress" code operates for Years 12 and 13.

The Head will consider requests from parents and pupils for variations in the uniform for reasons related to protective characteristics, provided they are consistent with the School's policy on health and safety and it is reasonable in all the circumstances including in light of the School's obligations under the Equality Act 2010.

Reasonable adjustments for staff and pupils with a disability or special needs

The School has an ongoing duty to make reasonable adjustments for staff and pupils with a disability or special needs to ensure they do not suffer a substantial disadvantage in comparison with other staff or pupils.

Where the School is required to consider its reasonable adjustments duty, it will consult with parents or the member of staff about what reasonable adjustments, if any, the School is able to make to avoid them being put at a substantial disadvantage.

The School will carefully consider any proposals for auxiliary aids and services in light of their disability and the resources available to the School. Further information on the School's reasonable adjustments duty for pupils can be found in the Special Educational Needs and Disabilities Policy. Where, during the course of their employment, a disabled member of staff recognises their need for a reasonable adjustment to be made to work arrangements or School premises, they should discuss this requirement with the Bursar or the Senior Deputy Head.

The School has an Accessibility Plan in place and a hard copy can be made available upon request. This sets out the School's plan to:

- Increase the extent to which disabled pupils can participate in the School's curriculum;
- Improve the physical environment of the School for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School; and
- Improve the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled.

Monitoring and Review

The Head, along with members of the Senior Leadership Team and the Diversity Champions, regularly monitor and review the effectiveness of this policy and report to the Governors on the policy's effectiveness in practice.

The Governors are responsible for promoting, monitoring and maintaining the implementation of this Policy and rely on the following to ensure that this is done:

The Governors will monitor the implementation of the Policy regularly and review annually to ensure that it does not disadvantage any particular section of the community.

Any incidents or concerns about equality of opportunity and racial equality should be reported to the Chair of the Governance and Legal Committee on a termly basis.

MSJ Equality, Diversity and Inclusion (EDI) Champions

Malvern St James Girls' School is committed to fostering a thirst for knowledge and a real commitment to learning. Pupils are shown what it means to take responsibility; they are encouraged to develop a strong moral code with the ability to make informed judgements about what is right and wrong. Central to our ethos is the importance of caring for others and teaching pupils social, physical and practical life-skills.

We define diversity as valuing everyone as an individual – whether pupil, staff member or a member of the wider MSJ community. Harnessing these differences creates a productive environment in which everybody feels valued, their talents are fully utilised, and organisational and personal goals are met. We are advocates of equality and recognise that inclusion of all minority groups is vital if we are to ensure the wellbeing of each and every member of the MSJ family.

The Equality and Diversity Champions are a team of staff volunteers who can be identified by the yellow sunflower badge on their lanyards. The role of this team is to raise awareness, promote EDI across the school and support individuals as needed.

In addition, members of the Diversity Champion Team will work together to:

- Provide opportunities for all groups to have a voice in the organisation;
- Create positive action interventions to support under-represented groups;
- Celebrate and emphasise the value of diversity through organised events and activities to raise awareness.

The Diversity Champion Team, working in liaison with the Prefects and Ambassadors , ensure that MSJ is positioned to operate beyond the basic legislative and compliance requirements, creating an environment where difference is embraced and celebrated, where individuals can flourish and where inclusion for all is part of the culture and embedded in daily life.

Breaches of this policy

We take a strict approach to breaches of this policy, which will be dealt with in accordance with our Disciplinary Procedure and Code of Conduct for both pupils and staff. If you believe that you have been the subject of discrimination you can raise the matter informally in accordance with the Anti Bullying Policy (pupils), or formally through our Grievance Procedure (staff). Complaints will be treated in confidence and investigated as appropriate.
