Terms and Conditions

It is assumed that pupils will continue with paid lessons during their time at MSJ until the School is informed in writing. A term's notice is required (as per the parent contract) or payment in lieu will be charged if your child discontinues their lesson/activity with insufficient notice.

If your child misses a paid extra lesson/activity, for whatever reason, other than the absence of the teacher or your child attending a compulsory school trip or event, parents will be charged. However, if the teacher manages to find an alternative time for the extra lesson/activity, then no adjustment to the charge will be needed.

Please note that for Speech and Drama and for individual Music lessons it may be necessary to withdraw pupils occasionally from curriculum lessons. However, this excludes pupils in Years 10 - 13.
